FEATURED TRAININGS

Designing a Selection Process

Create a start-to-finish selection process that allows for efficient evaluation of teaching candidates and saves your time.

Casting the Widest Net

Find out what the best schools are doing to attract talent and create a plan to broadcast your opportunities to the largest audience possible.

Selection Criteria

Determine a finite set of selection criteria that clearly communicates the ideal teacher and guides each part of the hiring process.

Resume Reviews

Practice using a composite set of indicators to quickly analyze resumes and make a first-step determination in the selection process.

In-Person Interviews and Role Plays

Practice the art of asking just the right question that probes a teacher candidate without giving away the preferred answer.

**“SHOWS WHAT CAN HAPPEN.
ACADEMICALLY, CULTURALLY,
EDUCATIONALLY, AND PROFESSIONALLY.”**
